## **1 Preface**

The following document is a CityMobil deliverable which has the status “other”. This means that the deliverable is not a written report, but rather the report of an achievement.

## **2 Description**

The Daventry (United Kingdom) showcase public operation started on September 24<sup>th</sup> 2007 and ended on October 5<sup>th</sup> 2007. The site and vehicle setup for the showcase were made from September 19<sup>th</sup> until September 23<sup>rd</sup> 2007. One Automated Guided vehicles (4-passengers) and three cybercars (2-passengers) were showcased.

Other events organized in parallel included a conference, directed to urban planners and to the public, on September 26<sup>th</sup> 2007. The conference took place at Daventry’s Community Centre, located near the showcase site.

The showcase in Daventry featured a small exhibit with posters. An evaluation survey was conducted throughout the showcase. The City Council also organized School and University visits during the whole showcase operation.
